Please be advised that certain Nestlé HealthCare Nutrition, Inc. products have been assigned NDC-Formatted Numbers. NDC-Format Numbers are not actual National Drug Codes (NDC). NDC-Format Numbers are product codes adjusted according to standard industry practice to meet the format requirements of certain suppliers and payers. Nestlé submits product information including various product codes to the compendia including First Databank, Truven Health Analytics f/k/a RedBook and Wolters Kluwer Medispan but cannot confirm that the NDC-Format Numbers submitted have been published by the compendia.						
This NDC-Format numbering method is based on current formatting requirements which are standard industry practice for product identification. This list only reflects the changes to legacy products for which the NDC-Format Numbers have been changed to utilize this current method.						
Reimbursement information provided by Nestlé is gathered from third party sources and is presented for illustrative purposes only. This information does not constitute reimbursement or legal advice and does not constitute a recommendation related to medical necessity or the documentation that should be provided in connection with a given patient or claim. All medical necessity determinations must be made by the responsible clinician. Nestlé makes no representation or warranty regarding this information or its completeness, accuracy, timeliness, or applicability to a particular patient. Nestlé specifically disclaims liability or responsibility for the results or consequences of any actions taken in reliance on information in this document. Suppliers are responsible for submitting accurate and appropriate claims for services. Laws, regulations and payer policies concerning reimbursement are complex and change frequently. Accordingly, Nestlé recommends that you consult with your payers, reimbursement specialist and/or legal counsel regarding coding, coverage and reimbursement matters.
